

Confused about anaesthetic care of Congenital Cardiac Cases?

Occasionally patients with congenital cardiac conditions may present as elective cases or in an emergency. Below is a list of the contact details for the congenital paediatric cardiac centres in the UK who would be more than happy to discuss aspects of patient management and where referrals should be made if it is deemed that patient transfer is more appropriate.

The Congenital Cardiac Anaesthetist Network

Alder Hey - Liverpool

Switchboard 0151 2284811

For urgent cases please ask for the on-call cardiac anaesthetist

For non-urgent cases email: CardiacAnaestheticGeneralEnquiries@alderhey.nhs.uk
